Who is eligible to enroll?

Degree seeking students enrolled at the University of Tennessee Martin or University of Tennessee Southern taking 6 or more undergraduate credit hours or 3 or more graduate credit hours and students participating in a co-op program are eligible to enroll in this insurance plan on a voluntary basis. Credit hours can be a combination of on-line and attending classes on campus, with a minimum of one credit hour on campus.

All international students are automatically enrolled in this plan on a hard waiver basis. International scholars or other persons with a current passport and student visa engaged in educational activities at the university are eligible and may enroll in the insurance plan on voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
