PARKING REQUIREMENTS AND LIMITATIONS

- Motorcycles must be parked in a designated parking space. Motorcycles must not be parked in a manner that blocks stairways, sidewalks, or pedestrian access.
- Traffic control signs and devices and the directions of officers must be obeyed when parking vehicles.
- On special occasions (including but not limited to athletic events, concerts, and graduation exercises) or in emergency situations, the UTS Office of Safety and Security may impose parking limitations more restrictive or permissive than in these rules, as it determines to be appropriate under the circumstances.
- The UTS Office of Safety and Security reserves the right to alter, block, reserve or reallocate designated parking spaces on UTS property at any time.

ENFORCEMENT

Vehicles that are towed/booted will be released only upon the registrant providing identification and paying to UTS all previously unpaid parking fines, penalties, and towing/booting charges. Booting removal fee is \$40. Towing fee is subject to fees or charges levied by the owner/operator of the towing company.

Any student who receives \$100 or more in parking violations on UTS property during a semester may be subject to disciplinary action.
