

HOUSING SELECTION

March 20-23

APPLICATION OPENS MARCH 1ST

- Apply to live on campus
If you want to get to select your own room, pick "Housing Selection" on Question 21. (More details below!)
If you want to be randomly assigned, pick "Staff Assignment" on Question 21.

HOW IT WORKS

- Step 1: Applying: Applications will be for 1-4 students each. (Roommates can complete an application together to ensure that they will be able to live together.)
 - Applications will be processed in the order which they are received, based on the timestamp of their online application, and each application will be assigned a number.
- Step 2: Agreement: Residents must complete the financially binding Room and Board Agreement to be able to participate in Room Selection.
- Step 3: Selection: On a designated date, applicants will physically select their room for the upcoming year, in order of number. Only one student from each application must be present. Students may designate (in writing) a proxy to select their room for them if neither roommate can be present.
