****Be sure to include a statement explaining why you are running for office with this completed petition. ****

Appointment Process for a Student Representative:

Students seeking the position will follow the Student Government election process and complete the required election forms and the pledge form included in this document. Please see the current Student Handbook for more details.

Qualified candidates will be placed on the SGA General Election Ballot. Qualified candidates will campaign for the position, the same as a candidate would campaign for any elected SGA position. The top three vote recipients in the election will be submitted to the Chancellor, and the Chancellor will make the appointment.

Checklist:

1. Review the qualifications for SGA.
2. Complete all election forms and be familiar with all election rules.
3. Include your statement that explains why you are running for office with your completed petition.
4. Submit all your election documents to the appropriate individuals by Monday, **September 4, 2023**.

Campaigning:

- Class Representative Campaigning: **September 5-8**
- Voting: **September 11-12**
- Please make sure your campaigning is appropriate. Any campaigning deemed threatening, bullying, or inappropriate will result in immediate disqualification.
- All campaigning must be approved by the Dean of Students.
