

## Registered Student Organization Renewal

Each RSO must renew its status by submitting the required renewal paperwork, including any updates to membership rolls (minimum of five members), advisors, and constitutions, by May 1 for the upcoming academic year. RSOs that are unsure of the interest or sustainability may request an extension until September 15. Any RSO not renewed by September 15 will be deemed inactive, and all right and privileges associated with RSO status will be revoked.
