Provider Impact

## Provider Impact

The Provider Impact domain reports the evaluation scores of a provider's cohort members who are teaching in Tennessee public schools. [Teacher evaluation](#) in Tennessee consists of multiple metrics, including classroom observations by trained evaluators and measures of teachers' impact on students' learning.

**Performance**

### Does Not Meet Expectations

**What does this mean?**  
"Does Not Meet Expectations" means the provider received less than 50% of possible points. "Meets Expectations" means the provider received 50-74.9% of possible points. "Exceeds Expectations" means the provider received 75% or more of possible points.

**Why is this important?**  
Teachers are the most important in-school factor contributing to students' success.

### Metrics

This domain includes four scored metrics and two unscored metrics.

(No data is shown for metrics with an n-size smaller than 10.)

EPPs above the scored range receive the maximum points possible. EPPs within the scored range receive partial points. EPPs below the scored range receive zero points.
