

# COST OF ATTENDANCE 2025 - 2026

The University of Tennessee Southern Financial Aid Office establishes standard cost of attendance budgets that reflect the educational costs for an academic year. These budgets are intended to provide an adequate, but modest lifestyle and include the estimated cost of tuition, fees, books, housing, meals, transportation, and personal expenses.

**Direct costs** are expenses charged directly by The University of Tennessee Southern and include tuition, course fees, and on-campus housing and meal plans. **Indirect costs** are not charged by The University of Tennessee Southern and represent an estimate of expenses students might incur while attending school.

Additional information about specific tuition rates and course fees is available on the Student Accounts website.
